

David,

In years to come I hope
you won't forget our good times
in civics, science, and Latin class.
You are a great guy and friend.

Best of luck in the years
to come and be a good boy.

Carroll

David,
Best wishes
to a very nice
sweet boy. Hope
you receive all the
rewards that you
possibly can. May
luck be with you
always!
Lots of love,
Marie Kinsey
