32) Billy,

As you slide down  
the banister of life,  
don't get a  
splinter in your  
career.

Love,  
Patricia

Billy,  
It has been  
good knowing  
you in my  
senior year.  
You are a real  
sweet kid. Stay  
that way and  
you'll be a  
foul  
the sweet,  
and keep all  
waiting for me  
years.  
Love  
Beth
