## Foreword

THIS IS W.H.S., your school. You are the ones for whom it functions. Think back over your years at W.H.S. Can you remember how BIG and confusing the halls and grounds seemed the first day you were here? Maybe you got lost going to classes or couldn't find your locker in a hall of mass confusion. Then don't you also recall how FRIENDLY the students and teachers were? They were all glad to help you learn about the place which soon was to become "your school."

W.H.S. changes its appearance many times. Sometimes it is very FORMAL. Do you remember the anticipation and excitement of your first Junior Senior dance? Hasn't the magic of that night been intensified in following years? More often, though, W. H. S. is INFORMAL. There have been dances in the gym after games, at Homecoming, and after the Halloween Carnival. And who can forget the informal jam sessions with your friends before school and during lunch?

But W.H.S. does not exist principally for play. Your chief purpose has been to study and obtain the knowledge that has been offered to you. It may have been very DIFFICULT at times, but if you have succeeded, your rewards will be unlimited. And too, your school life has always been ENJOYABLE. How many times did you yell yourself hoarse at the football games, support your teams in basketball, and enjoy the clubs, assemblies, and pep rallies?

Yes, this is W.H.S., your school, and it WILL ALWAYS BE REMEMBERED.

## School Prayer

May every thought we think today  
and everything we do and say,  
Be worthy of the folks we love  
and worthy of our God above.

Amen.

# *This is W. H. S.*

## *Alma Mater*

Angels, guard our Alma Mater  
From the skies of blue;  
Guard and guide our footsteps ever,  
Firm and strong and true.

We will e'er uphold thy standards-  
Honor, love, and truth;  
Pledge our hearts, our hands, and voices,  
Loyalty and youth.

Chorus:

Forward! ever be our watchword,  
Conquer and prevail;  
Hail to thee, our Alma Mater,  
W. H. S. all hail!

Billie  
Best wishes / good luck  
to all that  
love  
W.H.S.

Best  
Wishes

Dear Polly McLeod:

Now I know why the producer of my television show won't allow me to select the actresses we use for guest talent. I can't resist a beautiful face, with the result that I want to choose all of them.

However, since I must abide by your instructions and select only one to serve as the reigning queen for your yearbook, the vote goes to the very attractive young lady designated to me by the letter "B".

Please convey my congratulations to the winner and assure the runners-up that they could rate co-star billing on my show any time they let me take on the casting chores.

With best regards to you, the student body and your school faculty -

Sincerely,

*Tab Hunter*
