The Student Body of W. H. S. owes a large debt to our varsity cheerleaders. Thanks to them, the spirit here is at the highest in years. Cheering is more than going to all the football games. That is just the glamorous part. The hard work comes in helping with the Booster Club Drive in August, painting football banners for every game, selling tags at the games, practicing every day for weeks on new cheers, and attending all other sports events - like the basketball games. To Patsy Easterlin and Sally Starr, our head

cheerleader and co-head cheerleader, goes a special thanks for their leadership ability on the football field and backstage. To all the cheerleaders, we salute you on a job well done.

The Junior Varsity cheerleaders did a good job in cheering the J. V. teams and in helping the Varsity cheerleaders. They helped decorate the goalposts for Homecoming and sold the raffle tickets for the cakes at the basketball games.
