

BOYS' BASKETBALL

1964

WYMAN CARTER
Head Coach

Under the direction of Coach Wyman Carter, the boys' basketball team has improved not only in ability but also in spirit. The record is not so good but a great many of the games lost were very close. A better season is expected next year as all players will be returning and the new gymnasium will be completed.

Further improvements could be made if people, especially students, would show a little more interest in basketball at W. H. S. The crowds turned out better this year than last, but we still have a long way to go in spirit.

FIRST ROW, Left to Right: J. Ringer, T. Chapman, J. Handegan, K. Rowe, E. Bazzle. SECOND ROW: P. Newsome, D. Pierce, H. Shields, B. Trowell, E. Love, D. Haught.
