

BECAUSE . . .

You have fairly and capably served our school, especially in the thankless behind-the-scenes jobs . . .

You have, in your quiet, unprepossessing way, done the work of both teacher and advisor . . .

You are not only our helper but also our friend . . .

We, the Annual Staff, on behalf of the student body, dedicate the 1968 LAIR to you, Mr. Herman Mines.
