

GUIDANCE COUNSELORS

Mrs. Janie Gaskin, Grade 12

Guidance counselors work with students, parents, teachers, administrators, and representatives of community agencies and colleges. Senior high school guidance begins with program planning in grade eight and continues through graduation. The aim of guidance is to help each student recognize his abilities and interests, set realistic goals, and encourage him as he works toward these goals.

Mrs. Letha Stroud, Grade 10

Mrs. Mary Lou Hodges, Grades 11 and 9
