

STUDENT COUNCIL

To promote citizenship, scholarship, leadership, human relations, and cultural values are the purposes of the Student Council. It is the nucleus of many activities at W.H.S. Among these are holding elections and conducting a workshop for members. Money-making projects are the Queen of Hearts Contest, the paper-back book fair, operating the coke room, and a slave-sale. A Scribbly Board was provided this year to discourage scribbling *elsewhere*.
