

FUTURE TEACHERS OF AMERICA

The Future Teachers of America was established in order to help students who are interested in becoming a teacher to visit and explore the teaching fields in our school system. The Future Teachers annually sponsor a talent show so they may raise money for the Ruth Dorrill Thomas Scholarship that they present each year. The students show their appreciation of the teachers by helping them with their work and having a Teacher Appreciation Day.

F.T.A. Members help teachers correct papers.
