This year the Walterboro Wildcats carried on the school tradition by racking up a 7-3 season. Lead by Coaches Strock, Covington and Humphreys, the Wildcat team began practicing and training in August to be in the best physical shape possible before the opener with Beaufort. Jumping out in front with a 3-0 record, Walterboro entered the three way tie up for the Lower Atlantic Conference Lead, but the James Island Rams proved too much for the "Cats" and ruined their chances for Number ONE. Bouncing back, the "Cats" took another and again tasted defeat at the hands of the St. Andrew's Rocks. Rallying her forces, Walterboro swept away the Homecoming Game from Hanahan and then lost her third and final defeat to the Green Waves of Summerville. Taking Charleston, Walterboro then got revenge from the Berkeley Stags for the MASSACRE OF '66.

With practically a full experienced team coming back for '68, the Wildcats again have high hopes for a (10-0 season) and winning Lower Atlantic for Coach Bob Strock.
