

Excitement Fills Last Months of School

THAT GOOD OL' MOUNTAIN DEW. Boys Glee Club winds up its rendition of this song by "drinking up."

Another first took place on April 1, 1974 in the WHS gym. It was a beauty contest sponsored by the Student Council and featured a different type of beauty . . . boys dressed as young ladies. The homerooms were represented by Eddie Thompson, Mike Duck, Bill Burch, Billy Saunders, Jesse Owens, Eddie Still, Timmy Cummings, and Jeremiah Jenkins. Oliver Barnes, as Master of Ceremonies, announced the winner: "Miss Diana Ross alias Jeremiah Jenkins."

The first runner up was Eddie Thompson, second runner up was Mike Duck and in the last category was Timmy Cummings.

WHS Chorus students found another first. They performed their first concert in the renovated Hampton Street Auditorium. A capacity crowd was on hand both nights, May 9 and 10. Highlighting the concerts were the talents of Wanda Elkins, Ilka Drawdy, Matt Hogan, Spencer Moorer, Bill Johns and Anna Smith.

The chorus celebrated their successful concerts with a picnic May 14. Students were transported by buses to Forest Hills Park. They enjoyed food and drink provided by Mrs. Buckner.
