

Students Enjoy Junior-Senior Weekend

WHS students celebrated Junior-Senior Weekend on May 3rd through 5th. The Prom on Friday, May 3rd, started the weekend's traditional fun. The music provided by the Brotherman Band, included a variety of soul, rock and popular sounds.

Master of Ceremonies, Steve Bazzle introduced principal, Mack Jones. Mr. Jones welcomed the guests and expressed his appreciation to those who helped make the Prom a success.

Junior Class President, Joseph Reid, Senior Class President, Malissa Brisbon and Gerry Walker also addressed the gathering.

For many the fun had only begun with the dance and they moved on down to the beach. Walterboro students flooded Edisto Beach. Students amused themselves by swimming, skiing, dancing, surfing and eating.
