

## *Golf Team Savors Winning Season*

Carroll Hoats was recognized as the top golfer on the 73-74 WHS Golf Team by Coach Danny Thomas at the annual Sports Award Night held in May. Carroll carried a low handicap of 7 on a par 72 course. He recorded his low of 79 strokes in a duel match with St. Andrews. He also earned the Low Medalist Title in conference competition.

Other team members were Randy Hoats, Bob Burch, Eddie Dukes and Robbie Hogan. Under the direction of Coach Danny Thomas the combined talents of these five golfers resulted in an impressive season record of 11-4. The Bulldog golfers fell victim to Middleton, Goose Creek, and Berkeley and secured fourth place in the conference. The team finished fifth in the conference tournament.

A golfer's score is determined by the number of strokes he takes. In team competition, members of the team are allowed to compete, but the team score is based on the four lowest scores. These scores are added together and the team with the fewest strokes or lowest score wins the match.

One of our opponents tees off.

Bob Burch, one of our veterans, tees off on the par 3, No. 2 tee, at the Walterboro Country Club.
