

A group of 12 girls, ranging from the tenth to the twelfth grade succeeded this year in rousing more school spirit than this school has seen in a long time. These girls, the 1974-'75 Varsity Cheerleaders, worked over a month before the start of school, and continued practice throughout the year to assure an excellent choreography of their work. This group made their debut at the first Pep rally of the year, the one for the Summerville game. They must have done quite a job, because for the first time in a decade or more Wal-

terboro evaded defeat at the hands of the Greenwaves. Spirit continued to build up, from cheers like "Two Bits", "We're No. 1", "Be Aggressive", "There's a Reason", "Victory", and "Hail, Bulldogs." Before every game these girls would "Get fired up" and they put a lot of confidence in every player on our teams, not to mention the coaches. They worked hard, they cheered hard, sometimes it was freezing cold, but they still seemed to always enjoy it.
