

# Varsity Girls .500 on the Season

The Walterboro Varsity Girls team travelled to 18 games this season, playing each time just before the varsity boys. Of the 18 games, 10 were conference matches. The Bulldog girls won their first two, both away, against Ruffin and Ridgeland. They lost the next one to the Summerville Greenwaves, but came back to beat Ruffin and Ridgeland again, this time on their home court. The 10-girl squad squeezed by the Beaufort Eagles by only one point, and then travelled to Summerville to lose to them for the second time.

came up next, both were won, and in the second of these Queen Risher scored a remarkable 30 points, with 10 field goals and 10 free throws.

Four times in a row the Dogs were downed, playing Berkeley, St. Andrews, Berkeley again, and Wando. The quick play of Darlene Brown and Carrie Glover could not match the tall conference foes.

The "Bulldogettes" were easily re-quitted, however, for the next four games

were to be easy victories for them, two of those games by a margin of twenty points.

The last seasonal game and the last conference game, against the Wando Warriors ended the season with a disappointment for the girls. Even with this disappointment, they ended with an 11-7 seasonal record and a balanced conference record of 5-5.
