

## "LONG DRESSES AND TUXEDOES"

Put away those jeans and t-shirts or slacks and blouses. And "bring on those slinky long dresses and snazzy tuxedos".

The night was young on April 18, at the time of the prom. Young men and ladies were arriving at Walterboro High School Gym. The atmosphere was set as soon as everyone hit the floor and saw the decorations of silver and black laced around the Gym. "Disco-Livin-it-up" was the scene and decorations made the atmosphere even more lively. Cardboard cut out of dancing couples taped around the Gym made the Disco more alive.

The Band, G.N.P. provided some great music to dance to or to just sit back and relax. People began to leave around 12:00 to begin other activities. The night had only just begun.

Thanks go to **Mr. Bill Dreyer, Mr. John Smoak, Mrs. Betty Farmer, Mr. Mark Bowers and Mrs. Ann Young** and others who helped make the prom successful.

Can the faculty keep up with the young people or are they just going to sit all night?
