Community Spirit During Rice Parade

The Rice Festival Parade and the community spirit of WHS. The Rice Festival is a tribute to the Rice planters of Colleton County who during the 18th and 19th century worked hard to make a living on the big plantations in the countryside. WHS had many contributions to the Rice Parade. The Band of Blue

which has won many awards throughout the state was on hand to play in the parade. Some of the Rice Planters who are going of have went to WHS were some of the most highly academic girls that WHS can achieve. When these students have reached the highest goals attained of anyone anywhere,

then truly one can say to them selves that they are the best at what they can do. A salute should go to these students who worked so hard to represent WHS in any and everything the WHS takes part in. Congratulations!!!
