

Left: Wonder if **Hermena** and **Lynn** are studying or they're just making it look good for the picture.

Below: At least **Gavin** learned something in Psychology class, how to get the photograph to take his picture!

Above: "You believe us, don't you, Mrs. Hook," says **Alphonso** and **Patrica**.

Above: **Michael** and **Tina** think homeroom is for talking, but **Phillip** has the right idea, don't you think.
