

Boy's Have a Slam Dunk Year!

... they pulled together and won their next game against Stall, but they lost the next game against Middleton. It was their second conferences win against two losses. Then the Bulldogs won their next two games but turned around and lost their next two contexts.

In Goose Creek, The Bulldogs played the Gators to three overtimes before winning by five points. Maybe the Bulldogs will finally get it's stuff together and stop having a up and down season. On this year's team there are six seniors and six underclassmen. Potential will again be a good word to use for next year's team.
