

The WHS Varsity Cheerleaders '80-81 had a lot of changes this year. The first thing is that they got a new sponsor, by the name of **Mrs. Syliva Gale** who moved up to the ranks of varsity cheerleader sponsor from J.V. cheerleader sponsor. After having such a good year last year, there was no doubt in their minds that they could duplicate the past year, but were assured that they could hold their own. Their first competition was at Aiken, South Carolina and they did quite well. The next competition will be at Carowinds in March. The J.V. girls are a up and coming group that is in the process of learning the moves to make them Varsity Cheerleaders in the future.
