

A Wild and Crazy Crew

Incognito ... Duplicate ... Chaos ... Jammed up ... Exciting ... each one of these words can describe Homecoming 81' (November 2-6).

Incognito—yes, that was “Hat and Shades Day” with people running around with some of the most ridiculous hat and shades you could ever see. **Todd Smith** had a real farmboy look and **Vallery Sanders** went all the way with a real Mexican look.

“Hi, Josie, no you’re Nancy!” **Nancy Sutton** and **Josie Hioot** went all the way on “Twin Day” from head to toe. You could say that they were duplicates.

Jammed Up would describe “Dressed Up Day”. **Tony Shider** and **Veronica Clayton** looked so nice that you would think that they were going to Sunday Service. P.C.

Relaxing during break **Anita Edwards** enjoys a cup of punch.

During break **Veronica Clayton** and **Tony Shider** talks about previous Homecoming activities.
