

# ANTICIPATING GRADUATION

Anticipation, yes, that's what Seniors will be thinking when they think of graduation. In a few months ready or not we will all be graduating. Some will be ready to graduate and move on to better things, while others will want to stay in high school for awhile longer. **Tammy Phillips** says, "I am ready to get out because I'm ready to get married." **Paula Rhode** on the other hand says, "I'm not

looking forward to graduating, but when it comes time I guess I'll be ready."

It is kind of scary when you think of graduation. What are you going to do next? Where are you going? Even though we're not sure I think we all can agree with **Stevie Headen** when he says, "Being in school is a great experience, but I can't wait to graduate."

Catching a quick study is **Terry Farmer**.

**Isaac Bodison** takes time out to study at lunch.

**Edward Dopson, Kim Holloman, Pam Nobles, and Kay Robertson** are listening intently to **Mrs. VonLehe**.
