

CENTERING CLAY on a potter's wheel is demonstrated by Phobe Johns. Mrs. Zeilke requires all of her Ceramics students to center clay as a class project.

DIANA COUCH ADDS finishing touches to her ceramics basket. The ceramic students got a chance to combine their talents into a class assignment.

MAKING CORRECTIONS to one of her many test drills is Charleen Risher. Typing students also typed memos, reports, letters and themes.

EXPLAINING THE NEW sewing assignments is Mrs. Lewis. Each student designed their own fashion outfits.
