The Laugh Attack

Seniors with A Smile

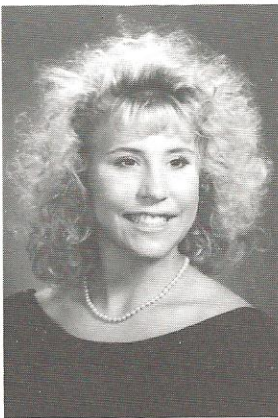

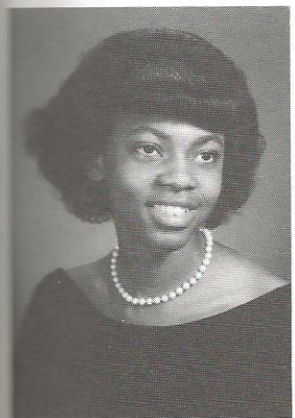

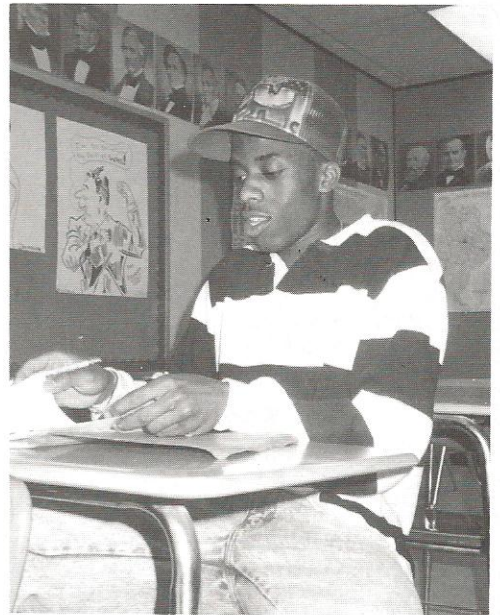

Voted "Best Sense Of Humor", Yalanda Pinckney and Marcus Townsend were among the many seniors that resorted to laughter as a way to relieve the pressure of the senior life. Both Marcus and Yalanda were well known for their comical ability and their great sense of humor. Not only were these two characters funny, but they also knew when to get serious.

Marcus was a member of the band and also the Varsity basketball team. As a regular "fun guy", Marcus always managed to ease tension by joking with fellow classmates.

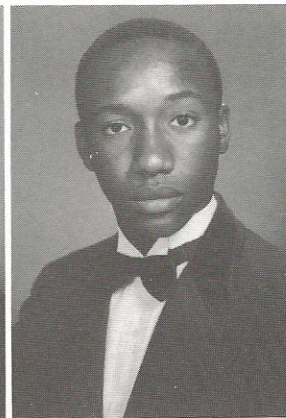

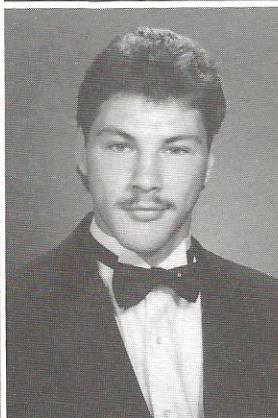

Yalanda was Drama Club President and also an active member of the Student Council. She always had a special concern for activities in school.

These two comedians had a special sense of making difficult situations less painful. Their great personalities and care-free attitudes are two of the reasons that earned them the title of "Best Sense Of Humor"

Yalanda Pinckney and Marcus Townsend demonstrated their comical abilities not only by being funny, but also by their wit and charm.
