## America Needs A Hero For Every Age.

From the Revolutionary War to the War in Viet Nam, in national crises and natural disasters, the National Guard has always been ready when America called.

Today is no different. The Guard still needs the kind of people who know peace and freedom don't come cheap. Who are willing to stand up and be counted when the chips are down.

If you're one of them—and

you've got two days a month and two weeks a year to invest in something important—we've got a job, a paycheck, and some pretty attractive benefits waiting for you.

Talk to your local Army Guard recruiter today.

Because "hero" doesn't have to be just a word. It can be the face you see when you look in the mirror.
