With zillions of thanx we wholeheartedly extend our gratitude to Mrs. Cindy Carter for letting us use the phone; Mr. Rob Novit, photographer extraordinaire; Mrs. Julia Waddell, our favorite expectant art teacher and Mrs. Janis Blocker, the hanging proofreader and copy killer. To Mrs. Marilyn Zielke, we leave all out mutilated croppers, our broken computer printer, and all the rest of our yak on the table. Thank U all. May U live 2 C the dawn.
