# CHANCE

As the school year came to a close, it was apparent that students and teachers were ready to TAKE A CHANCE. But before this was possible, the hectic month of May had to be survived.

Through these final days of the school year, students took the national AP exams, enjoyed Junior-Senior weekend, attended the Rice Festival and numerous award banquets. But for seniors May proved to be a bittersweet month. It was not only the end of school but it was also the close of the adolescent era. May 30 marked the day each senior would TAKE A CHANCE on the future.
