

BUMMIN' AROUND SHOWS THE SPIRIT!

How did the students show their support for the Bulldog football team and the annual homecoming game? They did so by participating in Spirit Week, of course!

Spirit Week was sponsored by the Class of '95. Students were dressed up differently each day of Spirit Week. Monday was Pajama Day; Tuesday, Hobo Day; Wednesday, Twin Day; Thursday, Hats and Shades Day; and Friday, Blue and White Day. Students were allowed to wear hats if they bought a ticket each day for 25 cents.

By dressing as twins on Twin Day, Paulita Lloyd and Shunte McClellan show their spirit. Both girls were members of the Band of Blue.

The cheerleaders sponsored a "Mock Homecoming." The four JV football players elected by the Football Players' Council to compete were: Brandon Hamm, Will Caison, Quincy Chisolm, and Bryan Davis. Students voted for their favorite "mock cheerleader" during their lunches. Will Caison was announced the winner at the Pep Rally on Friday afternoon.

The Class of '95, with the help of the Class of '96, created a successful new

project to raise money. Every day, students dropped money in a box in the commons area. The box had four different sections, one for each class. By dropping pennies in their class's slot, students gave their class one vote per penny. The object was to see which class could raise the most money. But there was a catch. Any silver or paper money dropped in a class's slot took away from

the number of votes that a class had. The number of votes taken away from the class's total was equal to the value of the paper or silver money in

the box. By the end of the week each class was trying to sabotage the others. After a close race the Class of '95 won the contest. This class name was engraved on the Spirit Trophy.

A Door-Decorating contest was held to see which homeroom could design the most creative door. Judges from the District Office chose the winners which were announced Friday at the Pep Rally. Winners of an ice cream party were homerooms 96-05, 96-17/18, and 96-15.

"This Spirit Week and the new money-drop fundraiser brought the Class of '95 money and lots of it," Mrs. Hiers said.
