

# Making It Special

Smiling radiantly, Muriel Fryar is presented at the Homecoming game as the 1993 Freshman Queen. During halftime, Muriel played the mallets in the Band of Blue as they performed their half-time show which consisted of songs from the musical OKLAHOMA.

Every freshman wants his first year of high school to be special. Muriel Fryar accomplished this goal when she was crowned Freshman Queen during the homecoming festivities.

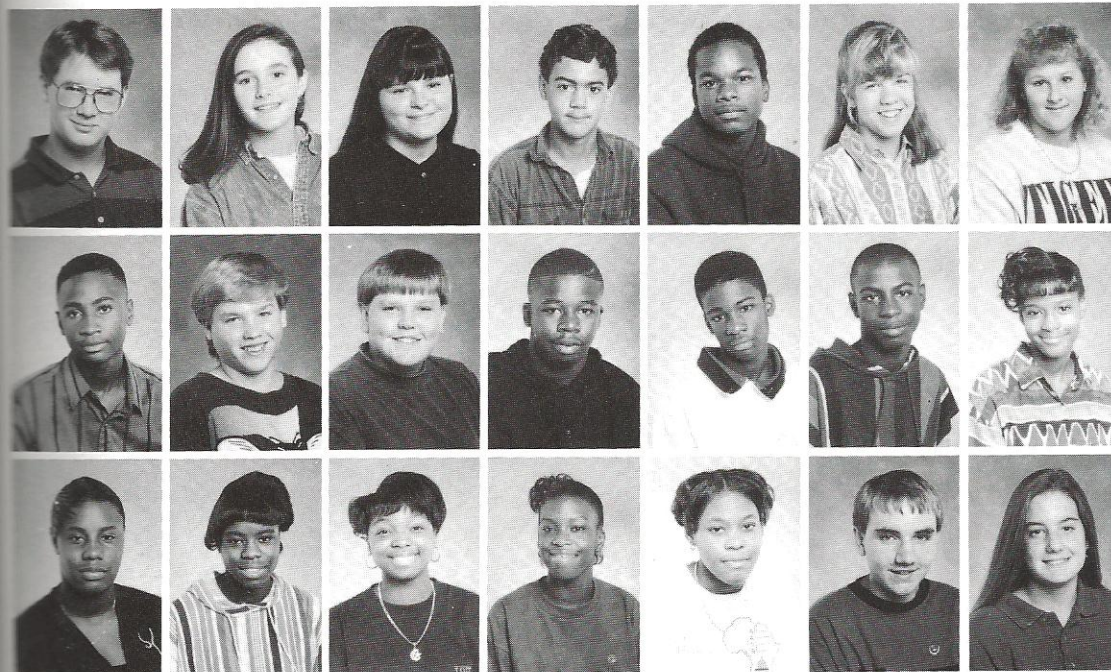

"When I entered high school, I set many new goals," said Muriel. "Being crowned Miss Freshman was the first of many accomplishments."

Muriel signed up for the Homecoming Court hoping that she would follow in the footsteps of her sister, Latrelle Fryar, who was crowned Miss Senior at Ruffin High School in 1990. With the support of her friends and freshman class, she went on to win the competition.

In addition to being crowned queen, Muriel was a member of the Band of Blue, Student Council, and Dogs Against Drugs.

"I would like to give a most sincere thanks to the entire class for making my freshman year very special and most memorable," said Muriel.
