

I want to be in pictures. Taking a moment out from the busy day at the Special Olympics, sophomore Susanna Blain and Regina Roberts pose for a quick picture. Besides volunteering for Special Olympics, Susanna also was very active in chorus.

Hold on tight. Junior April Rhode tries to hold on to her friend. Smiles were everywhere on this special occasion.

Are you looking at me? Senior Alicia Heape and her friend wait on line to get on the track where the events were held. The group marched onto the track early in the morning and did not leave until late in the afternoon.

Junior Michael Salley and a few friends wait for the first event to begin. Michael also volunteered his time to refereeing the intramural basketball game during lunch.
