Get Involved with Your Career at Technical College of the Lowcountry.

## It's Not too Late to Think of Your Future...

Attending college is the most significant career decision you are facing. The college you choose will influence your entire future. Get your *associate of art* or *associate of science* degree with TCL and transfer your credits to any public university or college in South Carolina. Choose from universities such as The University of South Carolina, Charleston Southern, Winthrop, Clemson and many more. Or, transfer to out-of-state universities such as Clark-Atlanta, Fisk, Shaw or Tennessee State. TCL also offers you 17 associate degree programs, five diploma programs and over fifty certificate programs.

If you are concerned about tuition costs, we can help. TCL offers programs, financial aid, scholarships and student services that promote your success! Call TCL today for an exceptional, yet affordable education.

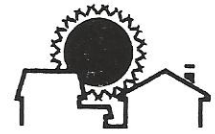

*TCL Offers...*

- Day & Evening Classes
- Certificates, Diplomas or College Transfer Program
- Financial Assistance
- Student Services
