S

pirit Week was held the week of September 26 to boost enthusiasm for Homecoming. Many students and some teachers showed their support for the Bulldogs by dressing in the appropriate attire for the days.

Friends and siblings had a chance to dress alike to make everyone see double on Monday, Twin Day. Students showed their allegiance to a favorite college by wearing a college T-shirt or by showing off a new hat on Tuesday.

The hall echoed with laughter when guys dressed as girls on Wednesday. Some girls got in on the act by suiting up as guys.

"Switch Day was my favorite day because it was fun to see the guys trying to act like girls but doing things girls would never do," said junior band member, Sheetal Patel.

Polyester, platforms, and disco dancing prevailed on Thursday, Disco Day. Many students had to pull out their parents' clothes. At lunch students were entertained by perennial songs from the Seventies, such as "YMCA". Many students used the opportunity to show off their dancing skills.

"Disco Day was my favorite day because everyone was dancing to the disco music. It was fun!" said JV cheerleader Sara Rodriguez.

The 1600 members of the student body filled the gym for a rousing pep rally to close out Spirit Week. Everyone could show spirit by wearing school colors, blue and white. "Temptation," Timothy White, was crowned Mock Homecoming Queen from among the candidates selected by the faculty.
