The junior varsity cheerleaders shook their poms to show their spirit while supporting both the J.V. football and basketball teams.

The junior varsity cheerleading squad had 12 members, and the squad was made up completely of freshmen and sophomores.

“I really enjoyed my first year of cheering,” said Angela Tedder. “It gave me a chance to meet new people.” Angela followed her big sister Ericka’s footsteps by becoming a cheerleader.

“Cheering has taught me how to take positive and negative criticism, and give back positive,” said freshman Danielle Whitacre.

The girls worked hard beginning with tryouts in the spring, and then worked with the varsity squad during the summer to prepare for camp in July. Both J.V. and varsity participated in a five-day camp at Coastal Carolina University to learn new cheers, chants, and dances. The J.V. squad performed with varsity in a dance competition and won first place.

In early fall, the cheerleaders began preparation for the football games and also performed at the homecoming pep rally, but the end of their work was not over. The poms were still shaking, while the basketball teams were making their hoops. The girls cheered for the J.V. girls and boys during all home basketball games.

— Jamie Virga

Loud and Clear. Freshman Angela Tedder calls out a cheer at a home football game. Angela was also a member of the FTA and chorus.
