

Working hard or hardly working? Laboring in the pharmacy, seniors **Kenneth Shider** and **Beth Kubik** fill prescriptions in Eckerd. "The main part of our job consists of filling prescriptions and working the cash register," said Kenneth. "I really like working at the pharmacy because it is something I would like to do for a career," said Beth.

Slaving in the kitchen. Precisely measuring each ingredient at a local restaurant, senior **Jimbo Warner** mixes the ingredients for a marinade. "I would say my job at Grillin' and Chillin' basically consists of cooking everything, but I would say my specialty is frying the wings," said Jimbo.

Working overtime. Bagging groceries at Food Land, junior **Amanda Davis** keeps a positive attitude. "I really enjoy working there. It's pretty easy work, and I get decent pay," Amanda said. Senior Joshua Adams worked there as well.
