

What do you like or dislike most about the opposite sex?

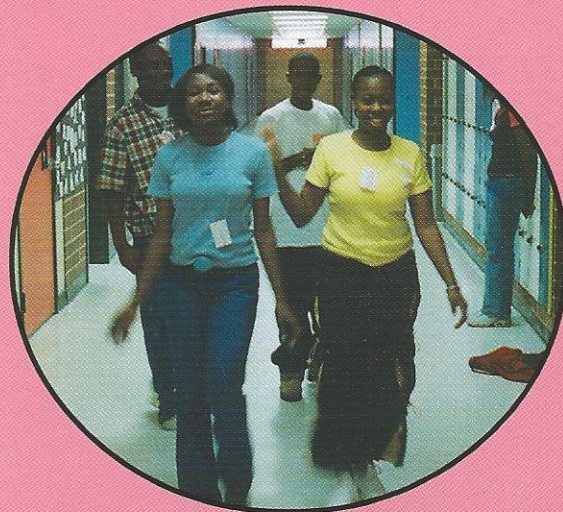

he said

"Females tend to think that they are right all of the time, but they are usually wrong. Many make bad choices and don't consider the downfalls. Nonetheless, most are closed minded and hard-headed."

Colin McGee, 12th

she said

"I hate the way guys approach me. If a guy doesn't know how to speak right, it's an automatic turn off. Guys, if you are really digging a girl, learn to speak in a sophisticated manner!"

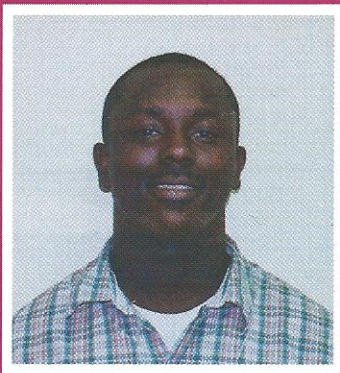

Ebony Perry, 11th

what do you think is most important in a relationship?

"Commitment, trust, and respect are the most important ingredients in a good relationship."

Lekisha Brown, 12th

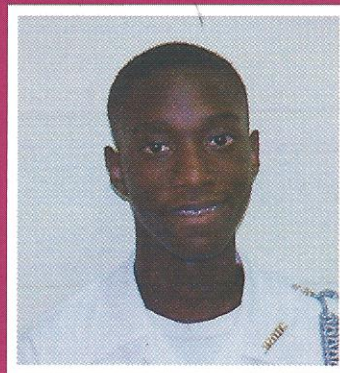

"When you are in a relationship, you and your girl have to care about each other and consider each other's feelings."

Travis Frederick, 11th

"I think it is important for a couple to communicate and trust each other for the relationship to work."

Leila Gusler, 12th

"I feel that the most important components of a good relationship are love and honesty."

Dustin Deloach, 9th
