Being lazy in class. Psychology looks boring today for **Jason Brown**! It was hard for him to concentrate knowing it was the last class of the day.

Headed Out. Watching her step, **Crystal Crosby** walks down the stairs with **J.J. Stewart**. These two could be seen walking out of school together daily.

You have enough for everyone right? **Brandon Williams** and **Zshakeia Medard** carry on a conversation while they wait for the bell to ring in Mr. Dixon's class. Brandon said he was ready for lunch!
