

Put a paw on it. Getting a couple paws painted on her face, **Jennifer Crosby** shows her school spirit. Every Friday she had them painted on her face.

Loud and Proud. At Sertoma, co-captain **Trimmier McClellan** shouts out some cheers. She was a great leader for the cheerleaders.

Hard to concentrate. **Brenda Jackson** looks off to her left at someone in class, while **Elaine McNeil** continues working. The two enjoyed having a class together their senior year, and sometimes it got pretty tough knowing they would be graduating in the spring!

Analyzing the Game. **James Bazzle** struggles to figure out which move to make next in the game of Life. A favorite game of the seniors in economics was Monopoly. James was known for trying to cheat other players out of money!
