two thousand two

Need a hand? Drum Majors **Brenna Burkett** and **Melanie Browning** head out to the practice field with some hat boxes. On this hot day they probably could go for some A/C!

Could you bark a little louder please? Senior cheerleaders **Heather Brown**, **Latasha Levant**, and **Shantel Middleton** stop during lunch the day of Sertoma to have the new cheerleaders get on all fours and bark at them. It may have been humiliating, but their day to be seniors will come soon!

Telling Jokes. As always, **JoBeth Banas** is telling a joke in Mrs. Courtney's French class. She was one of the few that decided to graduate early this year. Lucky her!
