

Waiting on the bus.

Standing in the commons area is senior **Stephanie Breland** and sophomore **Randy Weber**. Since all the construction was going on in the old bus parking lot, the bus riders had to start waiting in the commons to leave after school.

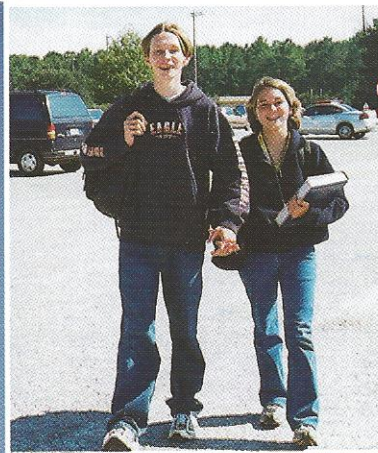

Making some beautiful music.

Ryan Berry stands next to junior **Buist Bickley** singing some patriotic songs at the football game. This game took place two weeks after the tragedies of September 11th. The chorus dressed in red, white, and blue and sang many patriotic songs that night.

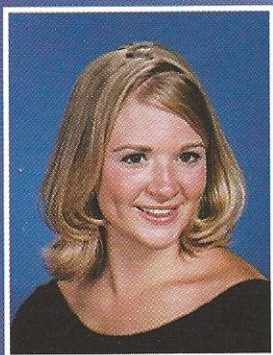

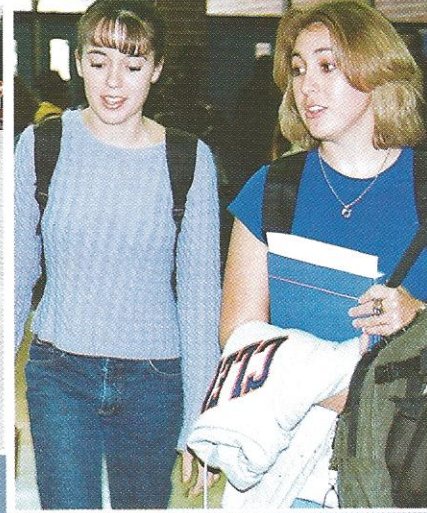

Showin' some lovin'.

Walking to his car, **Will Smoak** holds the hand of his girlfriend, sophomore **Bray Mabry**. No need to hurry about waiting in line after school because of all the construction. Traffic jams were normal.

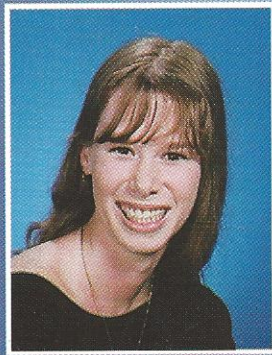

Pushing through the crowd.

Trying to talk over all the noise, **Lauren Stanley** and **Beth Kubik** push their way through the commons area. It was always pretty crowded in there in between classes, sometimes a little too crowded!
