

Class Prophecy

Dear Nancy,

Recently at a class reunion I saw a lot of our former classmates and guess what?

Sam Annand is now a celebrated speaker and is presently Mayor of Walterboro, S. C.

Baynard Arnette now has his own TV show. His success has been primarily due to his manager, Mr. Wallace Wise.

Howell Bailey is now playing end for the Detroit Lions. Howell is now married to the former Carol Key.

Vicky Benton is now operating a reducing salon in Walterboro and is packing them in. Many of our former skinny classmates are customers of hers.

Jackie Bishop is now happily married to Bill Harkey and has one child. His name is Thomas Chapman Harkey.

Jimmie Ringer is now head coach at Duke University. He is happily married to the former Kay Blocker.

Mark Braunstein has replaced Einstein as a leading scientific mind in America.

Richard Rhodes is now the Justice of the Peace of Round O, S. C. His wife, the former Phyllis Smith, is his secretary even though she has to take care of three children.

Billy Curtis, Wayne Bryan, and Ronald Broderick are backing Mr. Hutto as U. S. senator.

Betty Foit has moved to Hollywood, California in search of better-looking men.

Linda Fennell is a dress designer in New York City and is having a ball.

George Harper is now coaching Notre Dame after three years as a player. He was named to the All American team each of the three years.

Stevie Heller has become a top figure in politics. He is now the sheriff of Hendersonville.

Dianne Hiers now has her own popcorn business and has become rich in it. She recently loaned \$100,000 to Jackie Jackson who plans to organize a professional football team in Walterboro.

Paddy Hiers is now a movie star. Her latest picture co-starred Elvis Presley in "Kool Kat".

Wayne Hiott and Freddie Renfrow are traveling salesmen and have a girl in each town.

Lois Levy is now the leader of the Walterboro High School Band.

Linda Lytchfield is happily married to Kenny Rowe.

Charlie Mangum is now superintendent of the city schools.

Leonard Mack is currently the principal of the high school and Jerry Price is principal of junior high. They say that Jerry swings a mean paddle.

Ronald and Donald Carter are currently running a service station in Walterboro. Business is good but Donald complains that Ronald uses all of the gas going to see his girlfriends.

Joy Maxey is currently a model in Chicago and is engaged to Sandy Sanders, her manager, who plans to come back to Walterboro and run his father's plantation.

Anne Mobley is teaching at Furman University.
